REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Brookfield:

In September, 1965, the Brookfield children attending schools outside the district were as follows:

School	1	2	3	4	5	6	7	8	9	10	11	12	Tot.
Carpenter	7	4	3	6	2	5							27
Kingswood							2	2	4	3	1	3	15
Nute High										1			1
Brewster									1		1	1	3
<hr/>													
Total	7	4	3	6	2	5	2	2	5	4	2	4	46

Serving the needs of the school-going population in years gone by was relatively simple and inexpensive. Provided with little beyond book learning, few acquired what was equivalent to a high school education.

During the first half of this century, the high school still had as a primary aim the preparation of students for college, but there also was a movement to provide some vocational training or experience in the area of the practical arts. Often as not, people looked upon the vocational phase of secondary training as providing a front of recruits for local business and industry.

Today, American schools are fully committed to the philosophy of educating all of the children of all of the people, and applies not only to that segment of youth considered educable, but trainable. Public pressure is being brought to bear on the schools to provide facilities and training for many who normally would be deprived. While we respect the fact that the schools will not always meet all of the needs of those who attend, nevertheless, the challenge must be met as successfully as possible. The public schools will be counted upon to carry the biggest share of the load — if for no reason other than mounting enrollments.

This brings us to the crux of the problem. The contractual arrangement with the Governor Wentworth Regional School District will terminate in June of this year. The citizens of Brookfield are faced with several possibilities which are listed below:

1. Renew your contractual arrangement with the Governor Wentworth Regional School District.
2. Negotiate a contractual arrangement for the elementary children with neighboring Wakefield School District.
3. Buy into the Governor Wentworth Regional School District.

The decision is yours, in light of the above, it is recommended that some sort of long term arrangement can be agreed upon.

In conclusion, we should like to express our appreciation for the cooperation given us during the year by the citizens and School Board of Brookfield.

Respectfully submitted,

RAMON MARTINEAU
